

# OUTLANDER

#### **DESIGNED TO THE LIMIT**

All Mitsubishis are designed to go to the limit in one way or another. The Outlander is no exception - the engineers at Mitsubishi Motors have explored the limits of the family driving experience and come up with the ultimate in comfort, safety and versatility. You'll find that the new Outlander meets and exceeds the demands of the busiest schedule, the most active of lives and the most diverse family habits. In the grand scheme of things, anyway. We know a lot about high-performance vehicles at Mitsubishi Motors, but we don't pretend to know the desired design specs of all our customers in fine detail. So please take your time to think about exactly what you'll be doing with your new Outlander and select the accessories from this brochure that best reflect your taste, style and needs.

#### I GOTTA MOVE

Much time and effort has been invested in combining function and form to create the Outlander's robust and yet distinctly sporty good looks. Successfully. We're confident about its I-gotta-move identity. And with the accessories on these pages we're also confident that you will be able to enhance the car's functionality to your own individual needs and requirements and at the same time accentuate just those features you feel will give it the perfect finish to suit your style. The smart and functional rear-bumper protection plate, for instance, for intensive loading and unloading. Or a sports grille and silver fog lamp styling elements for a more prominent presence.

# EXTERIOR STYLING

Outlander shown with upper and lower sports grille, fog lamps, fog lamp rings, chromed mirror covers, painted side protection moulding, painted side airdam and 19" alloy wheels.

#### ~ Upper and lower sports grille

Stainless steel mesh. Original silver U-shapes to be re-installed. Available in primered condition or in body colour. Please see the quick reference list for details.

#### Fog lamp rings

Silver painted. MZ581785EX

#### Fog lamp styling elements

Silver painted. MZ313900

#### ~ Rear skid plate

Lower extension to the bumper, made of resin. Can be combined with rear parking sensors. Silver colour. MZ313949

#### Rear bumper protection plate

Stainless steel plate at loading area. MZ313903

#### ~ Side airdam

With stainless steel inlay.

Available in structured black paint, primered condition or in body colour.

Please see the quick reference list for details.

# EXTERIOR STYLING

~ Side door garnish

Silver painted. MZ385532EX

Mirror covers

Chromed.
To replace the original mirror covers.
MZ569716EX

 Side protection moulding Available in primered condition

or in body colour.

#### ~ Alloy wheel 17"

7 spoke, excl. wheel nuts. Recommended tyre size 225/60R17. MME31670

Wheel nut
MR455707 (1 pce)
Lockable wheel nuts
MZ313736 (4 pcs)

#### ^ Alloy wheel 18"

#### **NEVER A BORING MOMENT**

The Mitsubishi Outlander offers drivers a fantastic motoring experience. Its handling is superb and its response second to none. Even those not at the wheel will appreciate that. But long journeys to exciting places eventually mean boredom, especially to younger passengers inherently most eager to get there.

The state-of-the-art 30Gb harddisk audio & navigation system, featuring the latest in mapping and sound technology, will certainly ensure that you take the quickest route. But there's more. To keep everyone in the back really quiet, Mitsubishi Motors engineers have developed a rear-seat entertainment system the kids will probably want at home. With its large, 9" screen and two pairs of wireless headphones, they can watch films and play games to their hearts' content while you enjoy the drive. And perhaps your favourite concert.

Outlander interior shown with multi-media console and Mitsubishi Multi Communication System.

IN-CAR ENTERTAINMENT

#### Mitsubishi Multi Communication System

- 30 GB harddisk double wide DIN audio-/video-/navigation system
- · 7" touch screen display
- · European road maps pre-installed on harddisk
- Touch screen for all functions
- · Audio adjustable via factory option steering wheel buttons
- 6 GB music server with Gracenote® database (24 GB for navigation)
- · CD-text
- · MP3 & WMA compatible
- · DVD video during standstill
- DVD/CD slot
- · Standard equipped with TMC tuner
- Board- and trip computer information: average speed (and graph), average fuel consumption (and graph), instant fuel consumption, driving time, distance to empty, distance driven after refueling, lap time, altimeter, barometer, outside temperature (also in graphs), airco display
- Vehicle settings customizing options: (keyless entry, day time running lights, wiper blades, indicators, autofold door mirrors, dome light)
- Mobile phone operation (when factory Bluetooth® unit is installed)
- Applicable to 6 speaker standard system and 9 speaker Rockford Fosgate
- 4ch x 45W
- · AUX-cable to connect portable audio equipment (optional) MZ313899

#### Installation kit

Includes new dashboard panel and CAN-adapter.

Operated via vehicle remote or Keyless Operation System. MME31646

coincidence, then, that each and every component of all Mitsubishi vehicles is designed and built with a no-compromise attitude not only to reliability, but to safety and protection, too. Your safety and protection, that of your passengers and, not least, that of other road users around you. Nevertheless, Mitsubishi Motors has developed a range of additional safety and protection accessories to meet its clients' very diverse needs. Like a separation rack for your four-footed friends, a range of child safety seats and a safety kit including a warning triangle and first-aid essentials. And for the overall safety and protection of the Outlander itself, you might consider rear-parking assistance and rear-bumper protection foil in case of any unfortunate mishaps.

#### Separation rack Black-coated steel, top part coverage.

part coverage.
Fixation on utility rail (for Intense & Instyle versions).
MZ313914

For vehicles without utility rail (for Invite versions). MZ314051
