SPACE STAR

THE ULTIMATE CHALLENGE

For a car as complete as the Space Star, it has undeniably been a great challenge for Mitsubishi Motors to develop additional features that offer even more driving fun. Therefore we proudly present a wide range of genuine accessories, all especially developed to match your car perfectly. They all meet Mitsubishi's high standards of quality, safety, environmental demands and, of course, user's convenience. So please take a look inside this brochure and renew the acquaintance with your Mitsubishi Space Star.

DYNAMIC LOOKS, INDIVIDUAL STYLE

Your Space Star has it all in one. It takes you to the office, to the shops in the city and you and your family to the sports club or on a holiday trip. Its perfect combination of compact dimensions on the outside and endless flexibility on the inside make it one of the most desirable cars in its class. With the extensive selection of stylish accessories your dealer has to offer, you can even enhance its dynamic looks and create your own individual style. The varied programme of garnishes, spoilers, airdams and alloy wheels will show you the way.

CREATE YOUR OWN ATMOSPHERE

The luxury interior of the Space Star easily creates the impression of a much bigger car rather than the practical compact car you are driving. Though it is hard to improve this well-balanced interior styling, you can still add your own personal touches. Mitsubishi Motors offers you a shift knob which can be combined nicely with a decoration panel in order to create your own atmosphere.

TIME TO BEAT OR TO PLAY

Though it's great fun to drive your Space Star you will not want any delay when you are in a big rush to reach your destination on time. Therefore Mitsubishi offers you a state of the art full colour navigation system exclusively designed to be integrated into the dash mounted display of the trip computer. On top of that, you can combine this system with one of Mitsubishi's car audio systems, which brings you the very best hi-fi for in-car entertainment. So, what's it going to be: the short cut home or the long way round with your favourite music on?

EXTRA COMFORT FOR EVEN MORE DRIVING FUN

Your Space Star offers you a great deal of comfort, whether it's a quick trip to the shops, or a long journey on holiday with your family. Still, there are various well thought-out accessories available which further enhance your driving pleasure. From the comfort of air-conditioning to the ease of keyless entry: the choice is yours. Together with some handy storage accessories and fully tailored mats, you can transform your Space Star into a class of its own.

LOTS OF SPACE FOR EVERYDAY COMMUTING AND LEISURE

The Space Star with its flexible interior creates transport possibilities no other car of this size can compete with. In less than no time you have your car transformed from a stylish and modern family car into a spacious travelling companion ready to take your luggage, load, or sports equipment wherever you go. The trunk tray or cargo net your dealer offers can be useful accessories in that respect. But also our range of roof carriers and towbars, fixed or detachable, offer you possibilities to transport almost anything you like. For both everyday commuting and leisure.
